Rep. Dave Considine sworn in to State Legislature

MADISON – Today Rep. Dave Considine (D-81) was sworn in as a State Representative for the 81st Assembly District in the Wisconsin State Legislature. Rep. Considine was officially welcomed to the legislature at an Inauguration ceremony in the State Capitol.

“I am truly honored to represent the people of the 81st Assembly District,” Rep. Considine said. “I look forward to working to support our public school students, build a strong middle class, and speak up for the preservation of the Baraboo Bluffs and all rural communities in our state.”

Rep. Considine will serve on the Agriculture, Education, Environment & Forestry, Mental Health, and Mining & Rural Development Committees in the 2015-16 Legislative Session.

Rep. Considine retired in June 2014 from a 29-year career teaching special education at the Jack Young Middle School in Baraboo and is familiar with the needs of both students and teachers. His long-standing commitment to the environment is evidenced by the fact that he is one of the first farmers in the area to have a conservation plan for his land. His farm at the top of the Baraboo Bluffs is planted in native wildflowers and prairie grasses, and he maintains and works the land with the help of his wife, children, and grandchildren.

“I encourage all citizens in the 81st District to share their concerns and ideas with me so that I can represent all of you as I make decisions in the Legislature,” said Rep. Considine. “I hope we can have reasoned and thoughtful debates in this legislative session and I need your help to ensure I bring forth the issues that matter most to you.”

Rep. Considine invited constituents to contact his office at (608) 266-7746, via email at Rep.Considine@legis.wisconsin.gov, or by stopping by Room 412 North in the State Capitol.
